

Stylesters / About Us

Introduction

Stylesters is India's first fashion and style social networking site.

- Share & organize their wardrobe
- Create cool looks by simple drag and drop
- Share it with the world
- Show off and market your styling skills
- Buy & Sell your collections
- Style feed

It is a bridge between the fashion lover and fashion designers, stylists and resellers for personalized styling.

Value proposition

Stylesters's value proposition revolves around giving fashion lovers, fashion designers, stylists and resellers the power and ease of buying and selling products online for personalized styling. SMEs can showcase and market their fashion skills and influence the others.
